## ABOUT US

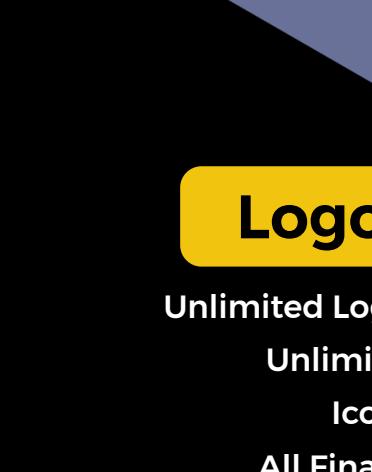

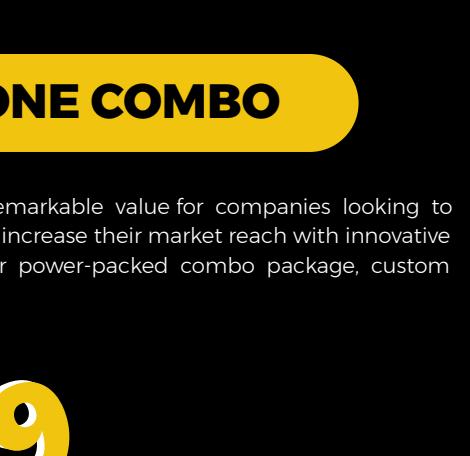

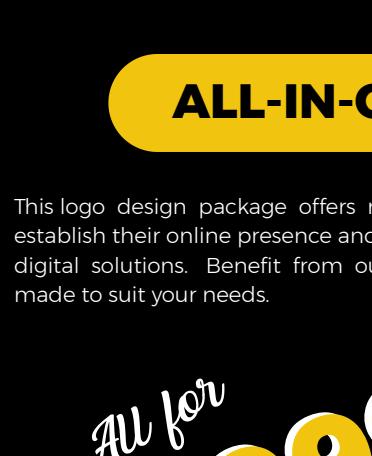

# WEB HOUSE

Everything we create for brands works better. That's because whether we're working on branding, digital marketing or content, we start with better insight. Better Works is what makes everything this full-service agency creates brilliantly effective. We provide software development services, mobile app development, technology consulting and IT outsourcing solutions to clients worldwide. We empower enterprises to transform their businesses by accelerating digital innovation, enabling agile business platforms and shortening time-to-market through our distributed project management capabilities.

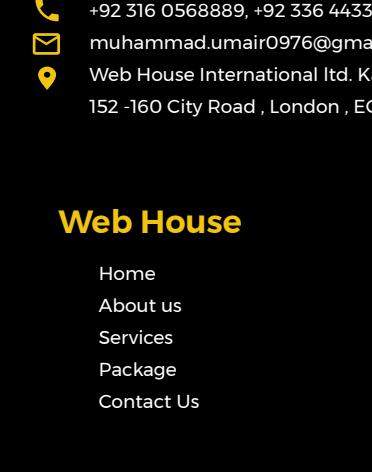

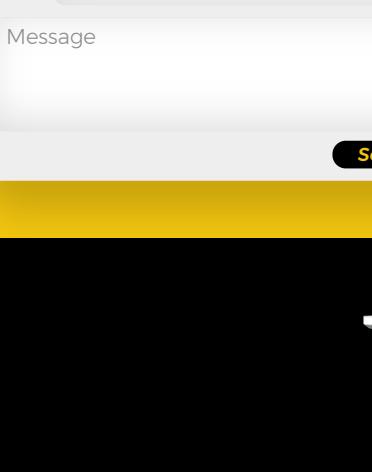

**BETTER IN EVERY AREA**

Creativity mixed with vision and cutting edge technology is what we pour behind the bar at Application Nexus.
